

**Sunday, December 18, 2016 1530 MST**

**Corpus Christi Water Contamination Incident**

**Report 2**

**Reporting Period: 12/14/2016-12/18/2016 @ 1530**

**Current Situation**

- All Specialists in Poison Information of the Texas Poison Center Network have been instructed to continue to collect additional information on water-related exposure reports originating from Nueces County and Corpus Christi, Texas. They have been advised of the EPA news release regarding resumption of tap water in all zones.
- West Texas Regional Poison Center will continue to provide situation reports on a daily basis until further notice, on behalf of TPCN.
- Residents with health concerns may continue to access 24-hour bilingual medical advice by calling the National Poison Center hotline at 1-800-222-1222.

**Calls received to date:**
